3. Supervisory Activities of the Supervisory Board over the Board of Directors, General Director, and Shareholders:

In the first six months of 2025, the Supervisory Board fulfilled its responsibilities and exercised its authority on behalf of the shareholders to oversee the Company's business operations through the following main activities:

- Supervising the activities of the Board of Directors in relation to the implementation of the resolutions of the General Meeting of Shareholders;
- Monitoring the business operations management of the General Director and the executive team;
- Reviewing the reasonableness, legality, accuracy, and prudence in the management and administration of business operations; evaluating the systematic, consistent, and appropriate application of accounting, statistical work, and financial reporting;
- Appraising quarterly business performance reports and financial statements; assessing the management activities of the Board of Directors; presenting the appraisal reports on annual financial statements, business performance reports, and the assessment of the Board's management activities at the Annual General Meeting of Shareholders;

- Reviewing accounting books and other company documents as well as the management and operational activities of the Corporation;
- Reviewing contracts between the Corporation and related parties;
- Recommending to the Board of Directors or the General Meeting of Shareholders appropriate measures for amending, supplementing, and improving the organizational structure and management of the Corporation's business operations;
- Providing opinions on financial statements and business performance results during the meetings of the Board of Directors.

4. The coordination among the Board of Supervisors, the Board of Management, Board of Directors and other managers

In the first six months of 2025, the Supervisory Board proactively communicated and reached agreements with the Board of Directors on the contents and plans for inspection and supervision, and coordinated with the General Director during the implementation of supervisory activities. The Supervisory Board reported the results of its inspections and supervision to the Board of Directors and the General Director in order to promptly address any existing issues and improve management efficiency. The Board of Directors provided the Supervisory Board with timely and sufficient access to its resolutions and decisions.

The General Director and relevant functional departments of the Corporation actively cooperated and facilitated the Supervisory Board in updating the status of production and business operations, and in collecting necessary information and documents for inspection and supervision when requested.

During the first half of 2025, the Supervisory Board did not receive any petitions or complaints from shareholders or groups of shareholders regarding issues related to the Corporation's business operations.
